Re: Culvert Replacement Project

Date: June 16, 2010

The western end of Shore Road between Tilden Way and Cottontail Lane will be closed on Tuesday, June 22, 2010 for much of the day to replace a culvert that has started to collapse. We anticipate the road will close at approximately 7:00 AM and reopen by 5:00 PM.

Folks using Shore Road will be able to access areas 1075 Shore Road and the east from the eastern entrance onto Lamoine Beach Road. Folks on the Western End from Tilden Lane to Douglas Highway should not be affected.

Public safety dispatchers will be notified.
