

Ticks and Tick-borne Disease Community Forum

**Wednesday,
May 9, 2018**

6:00pm - 8:00pm

**Mount Desert Island High
School Auditorium**

- Increase your tick knowledge: tick identification, life cycle, and tick-borne diseases that may be transmitted to people, pets, and livestock
- Learn methods and techniques to reduce tick exposure and prevent tick bites
- Gain resources and support for early diagnosis and treatment of tick-borne illnesses
- Brainstorm opportunities for action in your community.

**Join us for a community
discussion focused on ticks
and tick-borne disease
prevention.**

**Your input will help guide
actions to protect residents
from tick bites and
tick-borne illness in our
communities, our
municipalities and across
Maine.**

**For more information, contact
Durlin Lunt, Chairman,
Acadia Area League of Towns,
at 276-5531**
