Lamoine students have been "Growing" a Helping Hands Holiday Tree in our front hallway. We need your help!! Hands have been sent home (or you can trace your own) to be decorated and then returned to school with a boxed or canned food item or money to be donated to the local Loaves and Fishes Food Pantry. The more hands we receive, the bigger our tree will grow. Extra hands can be requested at school through Dec 18th. We also have children willing to decorate a hand in honor of anyone who wishes to send in a donation. Thanks to all who have helped to make this a huge success over the past years! We are very excited to begin this worthy project once again! **ONLY ONE WEEK LEFT TO "GROW"!!**

This week K-8 students were treated to an extra special visit from our friends at Chewonki! Mr. Matt brought Marci (an injured opossum) and a delightful duck named Peepers, along with many hands on exhibit items to teach our students about Furs, Fins, Flippers, and Mammals. It was an engaging learning experience for all!
