PATRON'S Corner

PATRONS promotes parent, teacher, school administration, and community involvement in our school, works with the school to support the quality of the education for all children, and encourages community and shared experience with the families and communities that surround the school. To that end, here are some ways that you can help!

Interested in Coming to a Meeting?

Our next meeting is Monday, December 5th

\$ for Ink Cartridges

The Funding Factory pays us an average of \$.98 for Cannon, Lexmark, HASLER neopost, HP, and NEO ink jet printer cartridges. Just drop them off at the school ASAP!

Penny Sale

Each year we sponsor a Holiday Penny Sale. Students can buy holiday gifts for two adults for just one penny each. We need your donations of new or gently used adult gift items to make this work. Donations can be dropped off at the office through December 5th.

Internet Safety Tips for Parents

1. Become computer literate and be actively involved in your children's online experiences, including smart phones.
2. Place computers in high-traffic areas, *not* in a child's room.
3. Use screening software.
4. Read unfamiliar e-mails. Monitor telephone and modem charges. Check out unfamiliar phone numbers and e-mail addresses.
5. Don't allow children to spend long periods of time on the computer or cell phone, especially at night.
6. Help children understand that online users may not be who they say they are. Know your children's Internet friends.
7. Tell children to report if they are asked personal questions, asked to meet in person, or are uncomfortable in any way.
8. Tell children to report to you suggestive, obscene, or threatening e-mail or bulletin board messages. Forward copies to your ISP (Internet Service Provider) and insist they help deal with the problem.
9. Be concerned if children mention adults you don't know, become secretive,
10. Post the [Internet Safety Rules for Kids](#) by your computer.
