Students in grades 1-8 will be participating in the American Heart Association's Jump Rope and Hoops for Heart event during their regular P.E. class time on Wednesday Feb. 10. Although this is meant to be a fundraiser for the A.H.A., students are not required to raise money, but will be doing the activities during P.E. class regardless. The funding is used for the prevention, education, and treatment of cardiovascular disease and stroke, which are the #1 and #4 killers in America. Last year our school far exceeded our goal of \$1800 and raised \$3646.25! Our goal this year is \$3700 (approximately \$20-\$40/student). Any student who raises at least \$5.00 will receive an instant incentive "super pup and lanyard" gift. Just complete, tear off and return the coupon that is on the collection envelope. Please check your child's backpack as Mrs. Haslam handed out collection envelopes with permission slips attached along with a form from the A.H.A. that explains how to do online fundraising (an instant incentive "ninja star pup" gift will be issued upon their first online donation). Additional information about this national event can be found by visiting [www.heart.org/hoops](http://www.heart.org/hoops) or [www.heart.org/jump](http://www.heart.org/jump).

Permission slips should be turned in before the event date and all collection envelopes with contributions are to be returned to Mrs. Haslam by **Wednesday Feb. 10.**

**\*\*If possible, PLEASE convert all cash and coins to a check made payable to American Heart Association**
