## Jump Rope and Hoops for Heart

Students in grades 1-8 will be participating in the American Heart Association's Jump Rope and Hoops for Heart event during their regular P.E. class time on Feb. 14 and 15. Although this is meant to be a fundraiser for the A.H.A., students are not required to raise money. We will be doing the activities during P.E. class regardless. The funding is used for the prevention, education, and treatment of cardiovascular disease and stroke, which are the #1 and #3 killers in America. Last year our school raised \$3,732. Our goal this year is \$3800 (approximately \$16/student). Any student who raises at least \$5.00 will receive an instant incentive "Zoo Crew" lion character, Rory, and lanyard gift. Just complete, tear off and return the coupon that is on the collection envelope. On Jan. 17 Mrs. Haslam distributed collection envelopes with permission slips attached along with a form from the A.H.A. that explains how to do online fundraising (a "Zoo Crew" elephant character, Mr. Tusker, gift will be issued upon their first online donation). Permission slips should be turned in before the event date and all collection envelopes with contributions must be returned to Mrs. Haslam by Feb. 14 or 15.

**\*\*If possible, PLEASE convert all cash and coins to a check made payable to American Heart Association.**

Please remember to call the front office if your child is going to be absent from school for any reason. Unreported absences are recorded as unexcused.

## Grades 5-8 Physical Education Assignment

The 5-8 Fitness Unit includes a fitness log and work out plan. Their assignment is to keep track of their physical activity on the fitness log and turn in their log sheet each P.E. class throughout January and February. They have been challenged to do the basic workout plan to help them improve on the FITNESSGRAM fitness assessment that they will participate in after the February break. Please ask your child to show you the packet and encourage their participation. Better yet, participate with your child and challenge each other to improve your fitness levels! Check out the LCS website under the Academics tab, Physical Education for additional cool workout plans for the whole family! Any questions may be directed to Mrs. Haslam at [phaslam@lamoineconsolidated.org](mailto:phaslam@lamoineconsolidated.org).
