Grades 5-8 Physical Education Assignment

The 5-8 Fitness Unit includes a fitness log and work out plan. Their assignment is to keep track of their physical activity on the fitness log and turn in their log sheet each P.E. class throughout January and February. They have been challenged to do the basic workout plan to help them improve on the FITNESSGRAM fitness assessment that they will participate in after the February break. Please ask your child to show you the packet and encourage their participation. Better yet, participate with your child and challenge each other to improve your fitness levels! Check out the LCS website under the Academics tab, Physical Education for additional cool workout plans for the whole family! Any questions may be directed to Mrs. Haslam at phaslam@lamoineconsolidated.org.

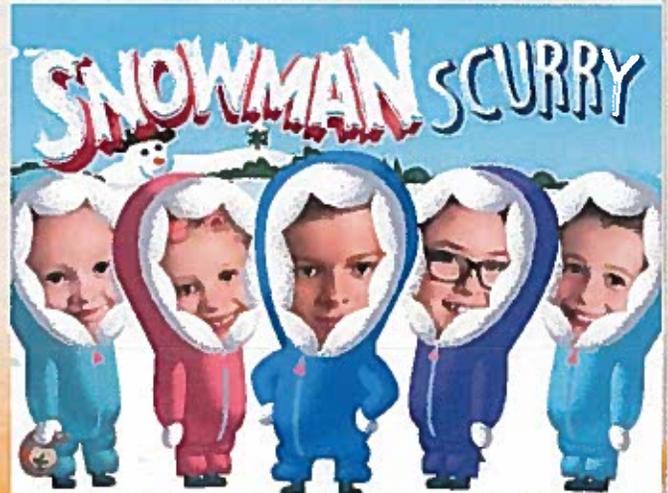

Snowmageddon 2017!

Oh my....what a week of weather! We might be tired from shoveling out, but the kids sure did enjoy the snow at recess! And.....we were finally & thankfully able to get in our VIP 100 Days of School Celebration. A great big thank you goes out to students and parents for the fabulous projects, as well as the teachers who made that happen.
