## Jump Rope and Hoops for Heart

Students in grades 1-8 will be participating in the American Heart Association's Jump Rope and Hoops for Heart event on Feb. 13 & 14. This is meant to be a fundraiser, but students are not required to raise money. The funding is used for the prevention, education, and treatment of cardiovascular disease and stroke, which are the #1 and #3 killers in America. Last year our school raised \$2308. Our goal this year is \$2400 (approximately \$23/student). Any student who raises at least \$5.00 will receive a "Scare Squad" Ninja Power Jax character PLUS a monster clasp to clip to their backpack. Just complete, tear off and return the coupon on the collection envelope coming home on Tuesday January 23rd. Collection envelopes will include permission slips and instructions for online fundraising (a FREE Scare Squad glow wristband will be issued just for registering online & a "Scare Squad" glow in the dark Charger character will be issued upon their first online donation). Permission slips should be returned before the event date, & all collection envelopes & contributions are to be returned to Mrs. Haslam by Feb. 13 or 14.

## Hey Parents?

I bet you remember doing this!

Parachute activities are among the most memorable physical education experiences of a young child's life. Just seeing the 'chute creates excitement and joy for most students. It is also an important opportunity to reinforce critical personal responsibility skills, as well as introduce movement concepts and early muscular anatomy.
