K-3 also played games to practice the movement concepts of traveling in different levels, directions, pathways and locomotor skills. Games included Giants/Wizards/Elves Tag, Pirate Ship, Simon Says, City Streets, making human letter sculptures, letter map moving, Haunted House Tag and Bridge Tag. Grades 4-8 worked on teamwork activities and games including Group Juggling, Omnikin cooperative ball games and teamwork challenge stations. All grades are presently working on soccer skills

Are you interested in supporting your own and other young athletes at LCS?

The Lamoine Rec Dept. meets the 1st Thursday of each month @ LCS. The group is not looking for someone who has the ability to give their arms or legs to the cause (who does have that kind of time??), but rather ANYONE at ANY meeting or time that can help support our youth athletes. Meetings are open to anyone, usually short, and often the agendas consist of logistics in supporting the current sports program. Great recreational programs are built through many hands pitching in - right now our group is very small and we would really like to increase our capacity. If you are willing to donate even a small percentage of time or effort to support the next wave of LCS Lion Athletes, please contact rec@lamoine-me.gov. Our next meeting is November 1st at 6:30 PM. We hope to see you there!!
