

Frenchman Bay Regional Shellfish Management Program

Shellfish Conservation Meeting

All commercial harvesters please attend.

Anyone interested is welcome

**Tuesday, 20 July at the Hancock town office,
7:00 PM**

Topics:

- **Meeting and working with our Warden, Mike Hall**
- **Your ideas, opinions and suggestions**
- **Conservation work and areas.**
- **Winter digging**
- **Seeding**
- **Getting Started: plans, work groups, scheduling**

Our Warden will be present.

All who attend will receive credit for required conservation time.

This meeting will be planned to last no more than 2 hours. Please attend so you will be informed and get your conservation time in.
