

Frenchman Bay Regional Shellfish Conservation Program

Startup Capital Equipment needs

-  Pick-up truck (looking at State surplus for this)
-  Boat/motor/trailer (16-18 foot fiberglass- looking at State surplus or used for this)
-  Lap top computer (may be donated by a participant community)
-  Radios vehicle and hand held
-  Cell phone (may pay a stipend)
-  GPS unit (possible donation of this)
-  Digital camera
-  Measuring equipment needed for enforcement (possible donation of these)
-  Tuition for State law enforcement certification 100 hour training course (hopefully we can find a qualified applicant).
