8. March 16 meeting potential agenda items:
Start to grapple with the land-use plan – (1) Richard and Mike to present the current zoning map and walk us thru the town to understand all of the zoning and (2) go around the table with ideas about what might be better than current zoning
9. March 30 meeting potential agenda items:
Marine Resources draft (Kathie and Val)
10. Bob made an impassioned plea for more human connection and community in Lamoine. 😊
11. The meeting adjourned at 8:06 pm.
