

FIELD WORKSHOP

ESTABLISHING FOREST MANAGEMENT OBJECTIVES FOR THE COLEMAN WOODLOT (Seal Point Road, Lamoine)

PUBLIC INVITED

SATURDAY, NOVEMBER 8, 2008

(Rain Date, Sunday, November 9, 2008)

9:00 AM TO NOON

Join members of the Downeast Chapter of the Small Woodland Owners Association of Maine (SWOAM), SWOAM's forester Mike Dann and consulting forester Teresa Davis as they walk the lovely trails of this 55 acre demonstration woodlot to evaluate available forest management options and establish forest management objectives for the property. *Public input is welcome.* These objectives will form the basis of the forest management plan being prepared by Ms. Davis that will guide SWOAM's management of the woodlot over the next ten or more years.

The woodlot is located across from 223 Seal Point Road. Sturdy shoes or hiking boots recommended.
