

Can you help someone in Lamoine stay warm?

The Town of Lamoine has established a Heating Assistance Program to help residents who could use a hand with purchasing their heating fuel. Your donation is critical to the success of the program.

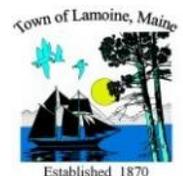

The program offers to qualifying applicants a one time grant of up to 100-gallons of heating fuel, a cord of wood, or other heating alternatives. The program will use donated funds to pay for delivery of the appropriate heating fuel, and will be administered anonymously by the Heating Assistance Committee, appointed by the Board of Selectmen.

*The Committee has set a goal of \$8,000 to make such assistance available. We hope you can help. Please fill out the information below to send in with your **tax deductible** contribution.*

Please make checks payable to:
