3. Fall 2018 Soccer Program

Amanda discussed fall 2018 soccer. She discussed that she and Tim Frost would be willing to coach 3/4/5 soccer. Nikki stated that her and Victor Chan would like to coach the 1/2 team. Amanda thought that the committee should look at a calendar and choose the first practice date in order to make a flyer to send out (tomorrow) for the last day of school and let people know about the registration and first practice date. PK/K program was discussed - the committee weighed the pros and cons of playing competitive games for that age level. The committee decided to have a short poll during registration to ask parents what they would prefer. September 6 was pegged for the first practice. Amanda will create a poster and get it into the K-4 folders to go home. Nikki will post on the fb page in order to ask for a PK/K coach immediately. The committee then discussed making a trip to the equipment shed to inventory equipment for the fall. Jason has a key. Finally, Amanda discussed the need for a covering/roof for the equipment outside for the back of the school in order to preserve the equipment from the elements.

Motion to purchase any equipment needed for fall soccer based upon the upcoming equipment inventory before the end of August was made by Amanda Frost, and seconded by Nikki Chan.

4. August Family BBQ Planning

The BBQ will be held on August 2 from 5:30 - 7:00. The rain date will be August 9 at the same time. Amanda worked on the poster to communicate the BBQ date and the first soccer practice date. Jason offered to get a vinyl banner made up for the event, that can also be reused for other events. The committee decided to research information about the last BBQ:

- How many people were at the last BBQ?
- Where did the grills come from?
- How much food was purchased?

The members present are hoping Greg Stone can offer this information and the committee will discuss purchases, activities, etc. further at the next meeting.

5. LCS Back to School Night

Dawn McPhail approached Amanda Frost regarding the Rec Dept setting up an obstacle course or something of that nature during the back to school night. This would be a fun activity and would allow kids to be outside in an organized way. Amanda asked for input regarding the committee's thoughts. The committee members present discussed the need for them to attend the event with their children. The item was tabled until the next meeting as to ask Patti Haslam and/or Greg Stone if they would be willing to help.

6. Other Items

Jason discussed that he purchased the lock box. Nikki noted that she received approval from Dawn McPhail to install the box on the back of the school. Jason agreed to install it. Amanda will check in with Betty to acquire a master key to place in the box.

The committee accepted a donation of a pickleball net from Enid Neleski from Lamoine, and was thankful for the kind gesture. The net will be stored in a safe location.

Motion to accept the donation was made by Jason Trenholm, and seconded by Amanda Frost.

your bucket” activity at the celebration. Fill your bucket was discussed as a great activity for the event. Committee members present were not available on June 23 in order to participate, though.

7. Adjourn

Next meeting date July 11 from 6:30-7:30 PM.

Motion to adjourn was made by Amanda Frost at 7:38 PM, and seconded by Jason Trenholm.
