3. Basketball

The committee discussed final needs for basketball season. Team photos and team certificates are the final items to be taken care of. Committee members with children on the PK/K, 1/2, and 3/4/5 teams volunteered to take photos during practice and email them to Nikki. It was decided that photos would be taken on the week of January 14th. Nikki noted she would send out emails to all parents so they would know to wear team tshirts, and arrive early to practice. Nikki also noted she would get the photos printed out at Walgreens as well as make sure the certificates were printed and awarded at the last team gathering (game or practice).

Michelle also noted that 3/4/5 parents should be reminded about the AYS Future Trojans Night. She volunteered to make a small poster to hand out at the practice before the event.

It was decided that the equipment would be collected at the final game/practice for each of the teams. Nikki will email the coaches to let them know of the plans. Nikki also volunteered to have her husband take the PK/K hoops out of Patti's office and bring them to the Anderson Shed when PK/K basketball is over. Patti also noted that she did not want the Winch Winder to be stored in her office for security reasons.

4. Cheering

Nikki noted that she had checked in with Jenny to see if there were any needs/updates/etc. Jenny had noted that things are going well currently, and that she would be sending along a music receipt for reimbursement via the rec. This item was the only pressing need that she had at the moment.

In further discussion, Jason volunteered to check in with Jenny to find out competition fees/tshirt information/etc. before the next meeting.

Motion to recommend to approve reimbursing the cheering music fee was made by Patti Haslam, and seconded by Jason Trenholm.

5. Lamoine Community Center Committee

Nikki shared the email regarding the community center brainstorming session in January that was sent along from Stu Marckoon. The committee had a short discussion, and unfortunately no one was able to commit to the meeting, and/or commit to being on the committee due to family, work, and committee obligations that currently tie up all free time. Nikki noted that she would let Stu know, and would ask him to keep the Rec Dept in the loop as information/ideas come forth about the project.

6. Other Items

The committee took some time to brainstorm activities that could be offered to youth athletes this spring (in place of indoor soccer because it is too dangerous to offer in the LCS gym).

Ideas included:

- Pillow Polo
- Dodgeball
- Running Club

Members noted that it might be helpful to send out a survey to ask parents/athletes what they might be interested in participating in. It was decided that this conversation would be at a later meeting.

8. Adjourn

Next meeting date: February 7 @ 6:30 PM

Motion to adjourn was made by Patti Haslam at 7:19 PM, and seconded by Michelle Stoll
