3. Basketball and Cheering Check In

The committee discussed the cheering program, specifically talking about the number of competitions that the team should/could attend due to financial constraints. Being a building year, the committee would like to keep the competitions at a minimum. Nikki noted that she would connect with this year's coach and discuss this. She said she would also confirm tshirt orders and ask about uniform options for the male cheerleader in the group.

The committee discussed basketball - so far the program is going great. There have been several comments about the strong coaching at each level. Nikki noted that there would need to be a check requested for AYS for the Lamoine athletes to be a part of the program (\$20/athlete).

4. Budget Preparation

The committee collaboratively looked at the prior year's budget and developed a new write up with budgetary numbers for the Selectmen to consider. Supplemental funding was added to the budget for Cheering Mats in the coming year. Nikki agreed to polish the write-up and return to Stu Marckoon in the coming days.

5. Lamoine 150

Due to time constraints this agenda item was moved to a future agenda.

6. Other Items

Michelle presented information about her conversation with Stu Marckoon regarding a petty cash fund as well as an online registration option for the Rec Department. Neither item was favored by Stu, with reasons behind both. The committee discussed the true need for an online registration format, and brainstormed raising registration fees by a few dollars in order to cover costs that might be associated with an online registration portal (this was the main reason why the Town would not recommend such a service).

Michelle also noted that she connected with Jason Asher. He said that he would love to do a clinic at LCS this winter sometime, but beyond that there needed to be further communication between the two. Michelle will continue correspondence and get back to the committee at the next meeting.

8. Adjourn

Next meeting date: January 23 @ 6:30 PM

Motion to adjourn was made by Ashley Mawhinney at 7:37 PM, and seconded by Andrea Smith.
