*A foundation (other than a slab) is a separate story

To KENNETH BANK OF MAINE
and its file number,
I hereby certify to the following:

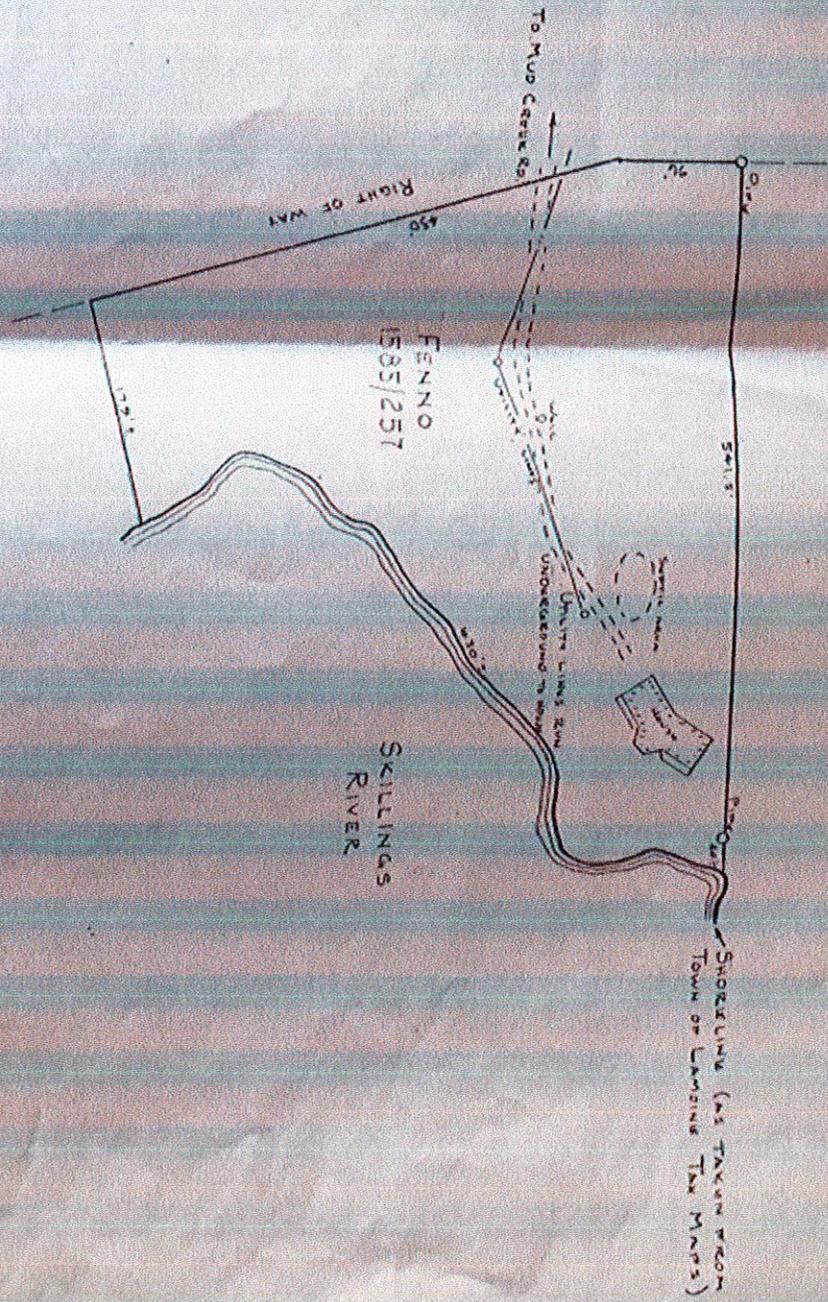

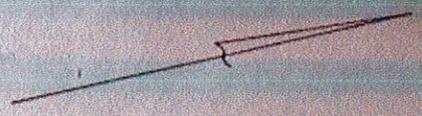

This plan does not represent the results of an accurate
survey. The information shown hereon is the result of an
inspection of the property. Boundary lines are plotted
from visible evidence and or deed descriptions. All
locations are determined by approximate measurements.
The sole purpose of this plan is to show the relationship of
major improvements to the approximate boundary lines for
mortgage purposes only.

This plan depicts a current examination of the premises
and all visible structures, encroachments and buildings
located on the ground as shown hereon. The premises
hereon are presumed to be the same as recorded in the
Hancock County Registry of Deeds in:
Book 1585
Page 257

Dwellings shown hereon are located within the flood
hazard area as defined on Federal Flood Hazard boundary
maps.

To the best of our knowledge at this time, the municipality
is not making specific allegations that the improvements
shown hereon violate any provisions of the local zoning
ordinances.
