

Acadia Disposal District

Household Hazardous Waste (HHW) and Universal Waste (UW) Collection Day
Saturday, September 28, 2019
MDI High School Back Parking Lot

10:00 AM-1:00 PM for General Public of MDI and other participating Towns

9:00 AM-10:00 AM: Only - Bulk Truck, Roll-off Container or Trailer Loads

We attempt to limit wait times by moving people with just UW out of line and asking them to proceed directly to the UW vendor. A longer line might be a good sign!

Acceptable Materials classified as Household Hazardous Waste include:

All paint, Turpentine/Varnish/Stains
Paint remover & strippers/Thinners
Transmission and brake fluids
Pool and Photo chemicals
Used antifreeze/Driveway sealer
Adhesives/solvents
Oven and drain cleaner
Fungicides/herbicides/pesticides
Battery acid and muriatic acid
Waste oil/ gasoline/diesel, Linseed oil

Acceptable Materials classified as Universal Waste include:

Rechargeable batteries
Fever and cooking thermometers
PCB ballasts
Lamps: high-pressure sodium, fluorescent, neon,
Mercury vapor and metal halide
Weather barometers; Blood pressure cuffs
TV's, Computer monitors, CPU's, printers/scanners

There are more acceptable materials than those listed above!

!!!If in doubt, please bring it and ask!!!
