### Report for Special Meeting – February 26, 2024

This will be a very quick report as we should have a very quick meeting! This is school vacation week, and I'm working alone for most of the week, and taxes are really rolling in, so I'm right out straight!

**Minutes – February 15, 2024** – Please look them over and submit written corrections if you could.

**Expenditure Warrant 20** – This will be a relatively large warrant as we'll move some money into investments as well as the usual school warrants. The warrant is posted on the website and will be printed for the meeting. Your 2<sup>nd</sup> half paychecks are also on this warrant (they'll be with your packets)

**Map 3 Lot 2 Sale** – The latest offer is in your packets. It's up significantly from the previous offer.

That's all for the agenda at this time. See you Monday!
