
MEMORANDUM

TO: LAMOINE BOARD OF APPEALS
ED BEAROR, DAVID AND TERRY WILSON
REBECCA ALBRIGHT, LAMOINE CEO

FROM: TERRY N. TOWNE

SUBJECT: WITHDRAW OF APPEAL OF LAMOINE CONSTRUCTION PERMIT #23-03

DATE: FEBRUARY 15, 2023

CC: STU MARKOON, ADMINISTRATIVE ASSISSTANT

I recently reached out to ME IF&W Assistant Regional Wildlife Biologist, Victoria Hughes. Because she had not referenced any documents in her email to Ms. Albright to support her conclusion on the location of the Significant Wildlife Habitats on Raccoon Cove, I asked for any documents she may have used. Today she forwarded the following web link to the updated maps for the area, [Maine Office of GIS, Shorebird Areas | Shorebird Areas | ArcGIS Hub Home](#). The maps for Raccoon Cove had been updated on 3/30/2018 and 05/18/2021. The updated maps document her conclusions and I believe they are correct. I had reached out earlier to the ME DEP and never received a response, so I relied on the maps provided by the Town of Lamoine, which obviously are out dated. Because of my error on the location of the Significant Wildlife Habitats, I am withdrawing my appeal.
